**Independent Auditors' Review Report
The Board of Directors
McLeod Russel India Limited**

1. We have reviewed the accompanying statement of Standalone Unaudited Financial Results of **McLeod Russel India Limited** ("the Company") for the Quarter ended on June 30, 2019 ('the Statement'). The Statement has been prepared by the Company pursuant to Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirement) Regulations, 2015, as amended ("Listing Regulations 2015"), which has been initialed by us for identification purposes.
2. This Statement which is the responsibility of the Company's Management and has been approved by the Board of Directors is to be prepared by Management in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS - 34") prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to issue a report on the Statement based on our review.
3. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of the Company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
4. Attention is drawn to the following Notes of the Statement which are subject matter of adverse conclusion as given in Para 5 below:
 - a) Note no. 6 relating to Inter Corporate Deposits (ICD) aggregating to Rs. 2,92,298 lakhs as on June 30, 2019 (including Interest of Rs. 7,703 lakhs accrued till March 31, 2019) given to certain companies which includes Rs. 1,09,029 Lakhs devolved/given during the quarter and is in excess of the limit prescribed under Section 186 of the Companies Act, 2013 ('the Act') and subject to necessary compliances as given in Note no. 8 of the Statement. The amount outstanding as on this date as given above is doubtful of recovery. In absence of provision there against the loss for the period is understated to that extent. Impact in this respect have not been ascertained and disclosed in the Statement.
 - b) The Company had given advance to a body corporate aggregating to Rs. 1,400 lakhs which are outstanding as on June 30, 2019. In absence of appropriate audit evidence and status thereof, we are unable to comment on the validity and recoverability of such advances.

- c) Note No. 9 of the Statement regarding certain reconciliations /confirmations with respect to borrowing from lenders and adjustments to be carried, the impact whereof pending ascertainment of amounts is presently not ascertainable.
5. Based on our review conducted as above, we report that because of the significance of the matters stated in Para 4 above and it's consequential impact on the financial results for the quarter, we have come to the conclusion that the Statement read with notes thereon have not been prepared fairly in all material respect in accordance with aforesaid Indian Accounting Standards and other recognised accounting practices and policies generally accepted in India, has not disclosed fairly the information required to be disclosed in terms of Regulation 33 of the Listing Regulations, 2015, including the manner in which it is to be disclosed.
6. Attention is drawn to Note no. 7 of the Statement dealing with going concern assumption for preparation of the accounts of the Company. The Company has incurred net loss of Rs. 1,036 lakhs during the current quarter and Rs. 6,262 lakhs in the previous year and the Company's current liabilities exceeded its current assets. Funds obtained by borrowing and utilised for providing funds to other group companies for meeting their financial obligations has become unserviceable due to non-repayment of outstanding amounts by those companies. These conditions indicate the existence of a material uncertainty about the Company's ability to continue as a going concern. However, the financial statements of the Company due to reasons stated in the Note no. 7 has been prepared by management on going concern basis, based on the assessment of the successful outcome of the steps taken including those concerning rationalisation of costs, monetization of assets, restructuring of borrowings and other proposals.
7. (a) The comparative financial information of the Company for the corresponding quarter ended June 2018 were reviewed by the predecessor auditor who expressed unmodified opinion vide their reports dated August 09, 2018.
- (b) The comparative financial information of the Company for the corresponding quarter and year ended March 31, 2019 were audited by the predecessor auditor who expressed an adverse opinion vide their report dated June 29, 2019.
- (c) We have placed reliance on the reports given by the predecessor auditor for the purpose of our report on the financial results for the current quarter.

Our conclusion is not qualified in respect of matters stated in Para 6 and 7 above.

The management believes that the outstanding dues, net of provision for doubtful interest receivable, as mentioned above, shall be recovered/ adjusted in due course of time and no further provision is required at this stage.
7. The Company's financial performance has continued to be sluggish due to cyclical effect in the industry and prevailing market conditions. Moreover, the Inter-Corporate Deposits given to various group companies to fund them for meeting their various financial obligations are outstanding as on this date and interest against these have largely not been received. All these have resulted in working capital mismatch and liquidity constraints causing hardship in servicing the short term and long-term borrowings and other financial obligations of the company. The company has taken various measures to resolve these issues which inter-alia include reduction in operational costs, monetising the Company's/group's assets including holding of other group companies and also restructuring the borrowings, so that to reduce the overall debt burden and related cost thereto and infuse liquidity in the system.

The management is confident that with the lenders support and cost reduction and other ameliorative measures taken, the company will be able to generate sufficient cashflows and strengthen its financial performance by discharging its short term and long-term liabilities. Considering that these measures are under implementation and/or under active consideration as on this date, the financial statements have been prepared on going concern basis.

8. The predecessor auditors' have issued an adverse opinion on the financial statements for the year ended 31st March 2019. These matters include the issues relating to Inter-Corporate Deposits to group companies including certain cases considered by them to be in nature of book entries, being in excess of the limit prescribed under Section 186 of the Companies Act, 2013 ('the Act') and pending compliance thereof including under Section 185 of the Act, if applicable in respect of amounts given to the related parties. These matters are procedural in nature and/or are subject to review by the authorities and do not have any impact as such on the profit or loss for the period. Steps are being taken to regularise these matters and ensure the compliances and the explanations sought for and information required by Registrar of Companies on the matters are being provided.

Other Auditors' observations regarding non-recoverability of inter-corporate deposits and accounts being prepared on going concern basis which have bearing on the financial results for the quarter have been dealt with in Note no. 6 and 7 above.

9. Interest on borrowings have been provided for considering the rates and terms and conditions as per agreed term sheet or otherwise stipulated/advised in this respect and are subject to confirmation of balances by the lenders and reconciliation thereof. Adjustments, if any required in this respect will be given effect to on ascertainment of the amount thereof.
10. The figures of last quarter for the preceding year are the balancing figures between the audited figures in respect of the full financial year ended 31st March and the unaudited published year-to-date figures up to the third quarter ended 31st December which was subject to limited review.
11. In view of Sale of Specified Assets pertaining to Tea Estates in the previous year as well as in current quarter (Note no. 3), figures of the previous periods' are not comparable with the figures of current quarter. Figures for the previous period have however, been regrouped/rearranged, wherever necessary.

**Independent Auditors' Review Report
The Board of Directors
McLeod Russel India Limited**

1. We have reviewed the accompanying Statement of Consolidated Unaudited Financial Results of **McLeod Russel India Limited** ("the Parent") and its subsidiaries (the Parent and its subsidiaries together referred to as "the Group") and its share of net profit after tax and total comprehensive income of its associates for the quarter ended June 30, 2019 ("the Statement"), being submitted by the Parent Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations 2015"), which has been initialed by us for identification purposes. Attention is drawn to the fact that the consolidated figures for the corresponding quarter ended June 30, 2018, as reported in these financial results have been taken as approved by the Parent's Board of Directors but have not been subjected to review or audit.
2. This Statement, which is the responsibility of the Parent's Management and approved by the Parent's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. We due to the reasons stated in Note no. 2(a) and 11(a) have not performed procedures for review in accordance with the circular issued by the SEBI under Regulation 33 (8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable.
5. The Statement includes the results of the following
 - I. Subsidiaries (including step down subsidiaries):
 - a) Borelli Tea Holdings Limited
 - b) McLeod Russel Uganda Limited
 - c) Phu Ben Tea Company Limited
 - d) McLeod Russel Africa Limited
 - e) McLeod Russel Middle East DMCC
 - II. Pfunda Tea Company Limited, an Associate Company till 3rd May 2019

6. Attention is drawn to the following Notes of the Statement which are subject matter of adverse conclusion as given in Para 7 below:
- a) Note no. 7 relating to Inter Corporate Deposits (ICD) aggregating to Rs. 2,92,298 lakhs (including Interest of Rs. 7,703 lakhs accrued till March 31, 2019) given to certain companies which includes Rs. 1,09,029 Lakhs devolved/given during the quarter and is in excess of the limit prescribed under Section 186 of the Companies Act, 2013 ('the Act') and subject to necessary compliances as given in Note no. 9 of the Statement. The amount outstanding as on this date as given above is doubtful of recovery. In absence of provision there against the loss for the period is understated to that extent. Impact in this respect have not been ascertained and disclosed in the Statement.
 - b) The Parent Company had given advance to a body corporate aggregating to Rs. 1,400 lakhs which are outstanding as on June 30, 2019. In absence of appropriate audit evidence and status thereof, we are unable to comment on the validity and recoverability of such advances.
 - c) Note No. 10 of the Statement regarding certain reconciliations /confirmations with respect to borrowing from lenders and adjustments to be carried, the impact whereof pending ascertainment of amounts is presently not ascertainable.
 - d) In absence of full financial Statement and details of the subsidiaries, required procedures as stated in para 4 have not being carried out, figures with respect to June 30, 2018 and those relating to quarter ended March 31, 2019 and disclosure with respect to segment assets and liabilities and other disclosures have not been provided (Refer Note no. 11(a)).
7. Based on our review conducted and procedures performed as stated in paragraph 3 above and based on the consideration of the review reports of other auditors referred to in paragraph 10 below, we report that because of the significance of the matters stated in Para 6 above and it's consequential impact on the financial results for the quarter, we have come to the conclusion that the Statement read with notes thereon have not been prepared fairly in all material respect in accordance with aforesaid Indian Accounting Standards and other recognised accounting practices and policies generally accepted in India and has not disclosed fairly the information required to be disclosed in terms of Regulation 33 of the Listing Regulations, 2015, including the manner in which it is to be disclosed.
8. Attention is drawn to Note no. 8 of the Statement dealing with going concern assumption for preparation of the accounts of the Parent Company. The Parent has incurred net loss of Rs. 1,036 lakhs during the current quarter and Rs. 6,262 lakhs in the previous year and the Parent current liabilities exceeded its current assets. Funds obtained by borrowing and utilised for providing funds to other group companies for meeting their financial obligations has become unserviceable due to non-repayment of outstanding amounts by those companies. These conditions indicate the existence of a material uncertainty about the Parent Company's ability to continue as a going concern. However, the financial statements of the Parent Company due to reasons stated in the Note no. 8 has been prepared by the management on going concern basis, based on the assessment of the successful outcome of the steps taken including those concerning rationalisation of costs, monetization of assets, restructuring of borrowings and other proposals.
9. The comparative financial information of the Group for the corresponding quarter and year ended March 31, 2019 were audited by the predecessor auditor who expressed an adverse opinion vide their report dated June 29, 2019. We have placed reliance on the reports given by the predecessor auditor for the purpose of these reports.

10. We did not review the financial results of Subsidiaries (including four stepdown subsidiaries) included in the consolidated unaudited financial results and have also not performed the procedure specified for the purpose with respect to these as stated in paragraph 4 above. The financial results of these subsidiaries reflect total revenues of Rs. 8,582 lakhs, total net profit after tax of Rs. 783 lakhs and total comprehensive income of Rs. 783 lakhs, for the quarter ended June 30, 2019, respectively, as considered in the consolidated unaudited financial results. The consolidated unaudited financial results also includes the Group's share of net profit after tax of Rs. 40 lakhs and total comprehensive income of Rs. 40 lakhs for the quarter ended June 30, 2019, as considered in the consolidated unaudited financial results, in respect of one associate. These financial results have been reviewed by the auditor of Borelli Tea Holdings Limited (Step one subsidiary) whose report have been furnished to us by the Management and our conclusion on the Statement, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries as stated in Note no. 11(a) of the Statement is based solely on the reports of the other auditors.

Our conclusion on the Statement is not modified in respect of the matters stated in Para 9 and 10 above.
