**Independent Auditors' Review Report
The Board of Directors
McLeod Russel India Limited**

1. We have reviewed the accompanying statement of Standalone Unaudited Financial Results of **McLeod Russel India Limited** ("the Company") for the Quarter ended on June 30, 2020 ("the Statement"). The Statement has been prepared by the Company pursuant to Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirement) Regulations, 2015, as amended ("Listing Regulations 2015"), which has been initialed by us for identification purposes.
2. This Statement which is the responsibility of the Company's Management and has been approved by the Board of Directors is to be prepared by the Management in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS - 34") prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to issue a report on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagement (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of the Company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
4. Attention is drawn to the following Notes of the Statement which are subject matter of adverse conclusion as given in Para 5 below:
 - a) Note no. 4 and 6 relating to Inter Corporate Deposits (ICD) aggregating to Rs. 2,86,881 lakhs as on June 30, 2020 (including Interest of Rs. 2,337 lakhs accrued till March 31, 2019) given to certain companies is subject to compliances, as required under Companies Act, 2013 ('the Act'). The amount outstanding as on this date as given above is doubtful of recovery. In absence of provision there against the loss for the period is understated to that extent. Impact in this respect have not been ascertained and disclosed in the statement.
 - b) The Company had given advance to a body corporate aggregating to Rs. 1,400 lakhs which are outstanding as on June 30, 2020. In absence of appropriate audit evidence and status thereof, we are unable to comment on the validity and recoverability of such advances.
 - c) Note No. 7(b) regarding non-recognition of Interest on Inter Corporate Deposits and thereby the loss for the period is understated to that extent. Further as stated in Note no. 7(a) penal/compound interest against borrowings from banks/financial institution have not been recognised and other adjustments as stated in the said note have been given effect to, which are subject to confirmation from lenders and reconciliation with their balances and claims. Pending final determination of amount in this respect, adjustments arising therefrom and consequential impact has not been ascertained.

- d) Note no 8 regarding non reconciliation of certain debit and credit balances with individual details and confirmation thereof. Adjustments/ impact in this respect are currently not ascertainable and as such cannot be commented upon by us.
5. Based on our review conducted as above, we report that because of the significance of the matters stated in Para 4 above especially those relating to non-provision of amount given as Inter-Corporate Deposits which as stated in Para 4(a) have been considered doubtful of recovery, together with the consequential impact of these matters on the unaudited financial results for the period, we have come to the conclusion that the Statement read with notes thereon have not been prepared fairly in all material respect in accordance with aforesaid Indian Accounting Standards and other recognised accounting practices and policies generally accepted in India and has not disclosed fairly the information required to be disclosed in terms of the Listing Regulations, 2015, including the manner in which it is to be disclosed.
 6. Attention is drawn to Note no. 5 of the Statement dealing with going concern assumption for preparation of the unaudited financial results of the Company. The Company's current liabilities exceeded its current assets. Funds obtained by borrowing and utilized for providing funds to other companies have become unserviceable primarily due to non-repayment of outstanding amounts by those companies. This has resulted in insufficiency of company's resources for meeting its obligations. These conditions indicate the existence of a material uncertainty about the Company's ability to continue as a going concern. However, the unaudited financial results of the Company due to the reasons stated in the said Note has been prepared by management on going concern basis, based on the management's assessment of the expected successful outcome of the steps and measures including those concerning restructuring/reduction of borrowings and interest thereon in terms of resolution plan under considerations of lenders and restructuring of outstanding loans receivables in sync with said plan as dealt with in Note no. 4 and other proposals under evaluation as on this date. In the event of the management's expectation and estimation etc., not turning out to be true, possible impact on carrying value of tangible and intangible assets even though expected to be material, as such presently cannot be commented upon by us.
 7. Attention is drawn to Note no. 9 of the Statement regarding the management's evaluation of impact of COVID-19 and uncertainty thereof on the assumptions and estimates concerning the unaudited financial results and performance of the company.
 8. These unaudited financial results include the results for the quarter ended March 31, 2020 being the balancing figures between the audited figures in respect of the full financial year and the published year to date figures upto December 31, 2019. These figures were subject to limited review by us as required under the Listing Regulations
 9. Our conclusion is not qualified in respect of matters stated in Para (6) to (8) above.

5. The Operational performance of the company even though has improved over the period, the Company's financial position has continued to be under stress. The Inter-Corporate Deposits given to various group companies to provide them funds for strategic reasons for meeting their various obligations along with interest to the extent applicable are outstanding as on this date. These have resulted in mismatch of company's current resources vis-à-vis its commitments and obligations and liquidity constraints, causing hardship in servicing the short term and long-term debts and meeting other obligations.

One of the banker had issued a notice of default and recalled the amount granted under various facilities and had commenced the proceeding before Debt Recovery Tribunal (DRT) for realisation of their debt to the company. The said banker and one other lender had filed petitions under Insolvency and Bankruptcy Code, 2016 (IBC) with Hon'ble National Company Law Tribunal, Kolkata (NCLT). These petitions are however yet to be admitted by NCLT. Further, certain lenders including those concerning another group company have obtained injunction against disposal of the Company's assets, pending settlement of their dues.

The company has taken various measures to overcome the financial constraints, which inter-alia include reduction in operational costs, monetising the Company's/group's assets including holding of other group companies and also proposal for restructuring/reducing the borrowings so that to make them sustainable and rationalising the costs thereof and infusing liquidity in the system over a period of time.

Due to firming up of tea prices and improved realisation thereagainst the fund availability for meeting operational obligations statutory or otherwise have improved during the quarter.

The Resolution process of stressed assets vide circular dated June 07, 2019 issued by the Reserve Bank of India has been initiated by the lenders. The lenders have appointed an independent professional for carrying out Techno Economic Viability (TEV) study and valuers for carrying out the valuation of the company. Further SBI Capital Markets Limited, one of the leading investment banker and adviser had been appointed by the lenders to work out and recommend resolution plan and possible course of action on the matter. The professionals so appointed have submitted their reports including the Draft Resolution Plan which is pending before lenders for their consideration and decision.

The management given the operating performance and potential of the company in this respect is confident that with the lenders support in restructuring their debt and related and other cost reductions, etc. and other ameliorative measures taken, the company will be able to restructure/reduce its outstanding amount of loan receivable in line with the same and generate sufficient cash flow to meet its obligations and strengthen its financial position over a period of time. Considering that these measures are under implementation and/or under active consideration as on this date, the financial statements have been prepared on going concern basis.

6. The predecessor auditors' have issued an adverse opinion on the audited financial results for the year ended March 31, 2019. These matters include the issues relating to Inter-Corporate Deposits to companies including certain cases considered by them to be in the nature of book entries, being in excess of the limit prescribed under Section 186 of the Companies Act, 2013 ('the Act'). This includes amounts given to group companies whereby applicability of Section 185 of the Act and related non-compliances, if any could not be ascertained and commented upon by them. Loan of 2,84,544 Lakhs given to various parties as given in Note no. 4 are outstanding as on June 30, 2020. This will therefore be required to be approved by the shareholders under Section 186 of the Act, since necessary approval could not be obtained earlier. Accordingly, the company has sought approval from the members through Postal Ballot notice. Information required by relevant authorities including Registrar of Companies have been provided and directions, if any received on conclusion of the proceeding will be dealt with appropriately to ensure necessary compliances. These matters are procedural in nature and/or are subject to the decision by the authorities and do not have any impact as such on the profit or loss for the period.

7. (a) Pending completion of debt restructuring process and consequential adjustment in this respect as per Note No. 5 above, interest on borrowings have been provided on simple interest based at the rates specified in term sheet or otherwise stipulated/advised from time to time and penal/compound interest if any has not been considered. Further, pending such restructuring, amount repaid to lenders and/or recovered by them have been adjusted against principal amount outstanding. The amount payable to the lenders in respect of outstanding amount including interest thereagainst is subject to confirmation and determination and consequential reconciliation thereof in terms of final decision to be arrived at in this respect. Adjustments, if any required in this respect will be recognised on determination thereof and will be given effect to in the financial results.

(b) Interest on Inter Corporate Deposits has not been recognised to the extent of Rs. 2,779 lakhs (including Rs. 597 lakhs for the period) pending finalisation of debt resolution process.

8. Certain debit and credit balances including inter-unit and other clearing balances, trade and other receivables/ payables, advances from customers, loans and advances, other current assets and certain other liabilities including those relating to tea garden are subject to reconciliation with individual details and balances and confirmation thereof. Adjustments/ Impact in this respect are currently not ascertainable.
9. Consequent to the outbreak of COVID-19, which has been declared as a pandemic by World Health Organisations (WHO), and implementation of lock down by govt of India, the Company's operation have been affected, causing loss of more than a month's production due to the suspension of the operation, disruption in supply chain and non-availability of personnel during period of lock down. Loss of output has affected significantly the performance for the current quarter. Though the garden operation have resumed in the first week of May 2020, the costs for upkeep, skiffing of unwanted produce, manuring and other related costs for up bringing of the leaves for plucking has been additionally incurred. Due to continuing problem with respect to availability and deployment of manpower, etc. and other logistic support operations especially at gardens and warehouses are still affected and expected to be normalised over the period of time.

The Company has taken steps towards rationalising it's employee related and other fixed cost. The prices of tea and realisation there against have improved due to supply mismatch in the current situation. Accordingly, the company has revised it's business projections based on internal and external information and possible assumptions and estimates in the given situation and circumstances. The company has reviewed the potential impact of COVID-19 on its capital and financial resources, profitability, liquidity position, supply chain, demand for its products and on the carrying value of various current and non-current assets and no material impact on the financial results are expected to arise. The actual impact of the global health pandemic may be different from that which has been estimated. The Company will continue to closely monitor the situation and any variation due to the changes in situations will then be taken into consideration.

10. The observations concerning Auditors' Opinion on the financial statements for the year ended March 31, 2020 and on the unaudited financial results for the quarter ended June 30, 2020 have been dealt with under Para 4 to 8 above. All these matters relate to and are expected to be resolved on the outcome of the resolution plan under consideration for approval as per Note no. 5 above and will then suitably be addressed in the subsequent periods.
11. The figures for the quarter ended March 31, 2020 is the balancing figures between the audited figures in respect of the full financial year and the year to date upto the quarter ended December 31, 2019 which were subject to limited review by the Statutory Auditors.

**Independent Auditors' Review Report
The Board of Directors
McLeod Russel India Limited**

1. We have reviewed the accompanying Statement of Consolidated Unaudited Financial Results of **McLeod Russel India Limited** ("the Parent") and its subsidiaries (the Parent and its subsidiaries together referred to as "the Group") for the quarter ended June 30, 2020 ("the Statement"), being submitted by the Parent Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations 2015"), which has been initialed by us for identification purposes.
2. This Statement, which is the responsibility of the Parent's Management and approved by the Parent's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to issue a report on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. We have also performed procedures in accordance with the circular issued by the Securities and Exchange Board of India under Regulation 33 (8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), to the extent applicable.
5. The Statement includes the results of the following Subsidiaries (including step down subsidiaries):
 - a) Borelli Tea Holdings Limited
 - b) McLeod Russel Uganda Limited
 - c) Phu Ben Tea Company Limited
 - d) McLeod Russel Africa Limited
 - e) McLeod Russel Middle East DMCC
6. Attention is drawn to the following Notes of the Statement which are subject matter of adverse conclusion as given in Para 7 below:
 - a) Note no. 4 and 6 relating to Inter Corporate Deposits (ICD) aggregating to Rs. 2,86,881 lakhs as on June 30, 2020 (including interest of Rs. 2,337 lakhs accrued till March 31, 2019) given to certain companies is subject to compliances, as required under Companies Act, 2013 ('the Act'). The amount outstanding as on this date as given above is doubtful of recovery. In absence of provision there against the loss for the period is understated to that extent. Impact in this respect have not been ascertained and disclosed in the statement.

- b) The Parent had given advance to a body corporate aggregating to Rs. 1,400 lakhs which are outstanding as on June 30, 2020. In absence of appropriate audit evidence and status thereof, we are unable to comment on the validity and recoverability of such advances.
- c) Note No. 7(b) regarding non-recognition of Interest on Inter Corporate Deposits and thereby the loss for the period is understated to that extent. Further as stated in Note no. 7(a) penal/compound interest against borrowings from banks/financial institution have not been recognised and other adjustments as stated in the said note have been given effect to, which are subject to confirmation from lenders and reconciliation with their balances and claims. Pending final determination of amount in this respect, adjustments arising therefrom and consequential impact has not been ascertained.
- d) Note no 8 regarding non reconciliation of certain debit and credit balances with individual details and confirmation thereof. Adjustments/ Impact in this respect are currently not ascertainable and as such cannot be commented upon by us.
7. Based on our review conducted as above, we report that because of the significance of the matters stated in Para 6 above especially those relating to non-provision of amount given as Inter-Corporate Deposits which as stated in Para 6(a) have been considered doubtful of recovery, together with the consequential impact of these matters on the consolidated unaudited financial results for the period, we have come to the conclusion that the Statement read with notes thereon have not been prepared fairly in all material respect in accordance with aforesaid Indian Accounting Standards and other recognised accounting practices and policies generally accepted in India and has not disclosed fairly the information required to be disclosed in terms of the Listing Regulations, 2015, including the manner in which it is to be disclosed.
8. Attention is drawn to Note no. 5 of the Statement dealing with going concern assumption for preparation of the consolidated financial results of the Group. The Parent's current liabilities exceeded its current assets. Funds obtained by borrowing and utilized for providing funds to other companies have become unserviceable primarily due to non-repayment of outstanding amounts by those companies. This has resulted in insufficiency of Parent's resources for meeting its obligations. These conditions indicate the existence of a material uncertainty about the Parent's ability to continue as a going concern. However, the consolidated unaudited financial results of the Group due to the reasons stated in the said Note has been prepared by management on going concern basis, based on the management's assessment of the expected successful outcome of the steps and measures including those concerning restructuring/reduction of borrowings and interest thereon in terms of resolution plan under considerations of lenders and restructuring of outstanding loans receivables in sync with said plan as dealt with in Note no. 4 and other proposals under evaluation as on this date. In the event of the management's expectation and estimation etc., not turning out to be true, possible impact on carrying value of tangible and intangible assets even though expected to be material, as such presently cannot be commented upon by us.
9. Attention is drawn to Note no. 9 of the Statement regarding the management's evaluation of impact of COVID-19 and uncertainty thereof on the assumptions and estimates concerning the consolidated unaudited financial results and performance of the Group.
10. We did not review the unaudited consolidated financial statement of Subsidiaries (including four step-down subsidiaries) whose consolidated unaudited financial statements reflect total revenues of Rs. 84,76 lakhs, total net profit/(loss) after tax of (11,19 lakhs) and total comprehensive income of (Rs. 11,19 lakhs) for the quarter ended June 30, 2020 as considered in the consolidated unaudited financial results. These consolidated financial statements have been reviewed by the auditor of Borelli Tea Holdings Limited (Step one subsidiary) whose report have been furnished to us by the Parent's management and our conclusion on the Statement, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries is based solely on the reports of the other auditors.

11. These consolidated unaudited financial results include the results for the quarter ended March 31, 2020 being the balancing figures between the audited figures in respect of the full financial year and the published year to date figures upto December 31, 2019. These figures were subject to limited review by us as required under the Listing Regulations
12. Our conclusion on the Statement is not modified in respect of the matters stated in Para (8) to (11) above.

- c) Remuneration to the extent of Rs. 597 Lakhs paid to Managing Director of the Parent for the period from April 01, 2016 to March 31, 2017 and April 01, 2018 to March 31, 2020 has become in excess of the limit laid down under the Companies Act, 2013, since required shareholders' approval could not be obtained. Accordingly, the said amount being held in trust has been recognised as advances under "Loans" pending recovery/adjustment in due course of time.
4. In respect of Inter-Corporate Deposits (ICDs) given to Promoter group and certain other companies by the Parent, the amount outstanding aggregates to Rs. 2,84,544 Lakhs as at June 30, 2020 (net of provision of Rs. 1,098 Lakhs). Interest accrued upto March 31, 2019 and remaining unpaid as on June 30, 2020 aggregates to Rs. 2,337 Lakhs (net of provision of Rs. 6,947 Lakhs). Interest on such ICDs pending proposal for necessary waiver in this respect has not been accrued during the previous year and also in the current period and steps are being taken to restructure the borrowings and related financial obligations of the Parent as well as of various group companies and necessary resolution plan which even though under consideration is yet to be finalised as on this date. The Parent expects to work out a plan for restructuring including reducing/liquidating such outstanding amount synchronising the proposed restructuring of borrowing in terms of the resolution plan under consideration of lenders as given herein below in Note no. 5. The management believes that the outstanding dues, net of provision for amount considered doubtful, as mentioned above, shall be recovered/ adjusted in due course of time and no further provision is required at this stage.
5. The Operational performance of the Parent even though has improved over the period, the Parent's financial position has continued to be under stress. The Inter-Corporate Deposits given to various group companies to provide them funds for strategic reasons for meeting their various obligations along with interest to the extent applicable are outstanding as on this date. These have resulted in mismatch of Parent's current resources vis-à-vis its commitments and obligations and liquidity constraints, causing hardship in servicing the short term and long-term debts and meeting other obligations.

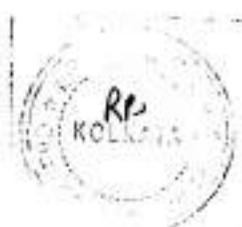

One of the banker had issued a notice of default and recalled the amount granted under various facilities and had commenced the proceeding before Debt Recovery Tribunal (DRT) for realisation of their debt to the Parent. The said banker and one other lender had filed petitions under Insolvency and Bankruptcy Code, 2016 (IBC) with Hon'ble National Company Law Tribunal, Kolkata (NCLT). These petitions are however yet to be admitted by NCLT. Further, certain lenders including those concerning another group company have obtained injunction against disposal of the Parent's assets, pending settlement of their dues.

The Parent has taken various measures to overcome the financial constraints, which inter-alia include reduction in operational costs, monetising the Parent's/group's assets including holding of other group companies and also proposal for restructuring/reducing the borrowings so that to make them sustainable and rationalising the costs thereof and infusing liquidity in the system over a period of time.

Due to firming up of tea prices and improved realisation thereagainst the fund availability for meeting operational obligations statutory or otherwise have improved during the quarter.

The Resolution process of stressed assets vide circular dated June 07, 2019 issued by the Reserve Bank of India has been initiated by the lenders. The lenders have appointed an Independent professional for carrying out Techno Economic Viability (TEV) study and valuers for carrying out the valuation of the company. Further SBI Capital Markets Limited, one of the leading investment banker and adviser had been appointed by the lenders to work out and recommend resolution plan and possible course of action on the matter. The professionals so appointed have submitted their reports including the Draft Resolution Plan which is pending before lenders for their consideration and decision.

The management given the operating performance and potential of the Parent in this respect is confident that with the lenders support in restructuring their debt and related and other cost reductions, etc. and other ameliorative measures taken, the company will be able to restructure/reduce its outstanding amount of loan receivable in line with the same and generate sufficient cash flow to meet its obligations and strengthen its financial position over a period of time. Considering that these

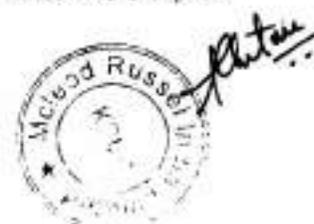

measures are under implementation and/or under active consideration as on this date, the consolidated financial statements have been prepared on going concern basis.

6. The predecessor auditors' have issued an adverse opinion on the consolidated financial results for the year ended March 31, 2019. These matters include the issues relating to Inter-Corporate Deposits to companies including certain cases considered by them to be in the nature of book entries, being in excess of the limit prescribed under Section 186 of the Companies Act, 2013 ('the Act'). This includes amounts given to group companies whereby applicability of Section 185 of the Act and related non-compliances, if any could not be ascertained and commented upon by them. Loan of 2,84,544 Lakhs given to various parties as given in Note no. 4 are outstanding as on June 30, 2020. This will therefore be required to be approved by the shareholders under Section 186 of the Act, since necessary approval could not be obtained earlier. Accordingly, the Parent has sought approval from the members through Postal Ballot notice. Information required by relevant authorities including Registrar of Companies have been provided and directions, if any received on conclusion of the proceeding will be dealt with appropriately to ensure necessary compliances. These matters are procedural in nature and/or are subject to the decision by the authorities and do not have any impact as such on the profit or loss for the period.
7. (a) Pending completion of debt restructuring process and consequential adjustment in this respect as per Note No. 5 above, interest on borrowings have been provided on simple interest based at the rates specified in term sheet or otherwise stipulated/advised from time to time and penal/compound interest if any has not been considered. Further, pending such restructuring, amount repaid to lenders and/or recovered by them have been adjusted against principal amount outstanding. The amount payable to the lenders in respect of outstanding amount including interest thereagainst is subject to confirmation and determination and consequential reconciliation thereof in terms of final decision to be arrived at in this respect. Adjustments, if any required in this respect will be recognised on determination thereof and will be given effect to in the consolidated unaudited financial results.

(b) Interest on Inter Corporate Deposits has not been recognised to the extent of Rs. 2,779 lakhs (including Rs. 597 lakhs for the period) pending finalisation of debt resolution process.
8. In case of Parent, certain debit and credit balances including inter-unit and other clearing balances, trade and other receivables/ payables, advances from customers, loans and advances, other current assets and certain other liabilities including those relating to tea garden are subject to reconciliation with individual details and balances and confirmation thereof. Adjustments/ impact in this respect are currently not ascertainable.
9. Consequent to the outbreak of COVID-19, which has been declared as a pandemic by World Health Organisations (WHO) and implementation of lock down by Government of India, the Group's operation have been affected, causing loss of more than a month's production due to the suspension of the operation, disruption in supply chain and non-availability of personnel during period of lock down. Loss of output has affected significantly the performance for the current quarter. Though the garden operation have resumed in the first week of May 2020, the costs for upkeep, skiffing of unwanted produce, manuring and other related costs for up bringing of the leaves for plucking has been additionally incurred. Due to continuing problem with respect to availability and deployment of manpower, etc. and other logistic support operations especially at gardens and warehouses are still affected and expected to be normalised over the period of time.

The Group has taken steps towards rationalising its employee related and other fixed cost. The prices of tea and realisation there against have improved due to supply mismatch in the current situation. Accordingly, the Group has revised its business projections based on internal and external information and possible assumptions and estimates in the given situation and circumstances. The Group has reviewed the potential impact of COVID-19 on its capital and financial resources, profitability, liquidity position, supply chain, demand for its products and on the carrying value of various current and non-current assets and no material impact on the financial results are expected to arise. The actual impact of the global health pandemic may be different from that which has been estimated. The Group will

continue to closely monitor the situation and any variation due to the changes in situations will then be taken into consideration.

10. The observations concerning Auditors' Opinion on the financial statements for the year ended March 31, 2020 and on the unaudited financial results for the quarter ended June 30, 2020 have been dealt with under Para 4 to 8 above. All these matters relate to and are expected to be resolved on the outcome of the resolution plan under consideration for approval as per Note no. 5 above and will then suitably be addressed in the subsequent periods.
11. The figures for the quarter ended March 31, 2020 is the balancing figures between the audited figures in respect of the full financial year and the year to date upto the quarter ended December 31, 2019 which were subject to limited review by the Statutory Auditors.
