The Outlook on the long term rating has been revised from “stable” to “negative”.

Notwithstanding the foregoing, any change in the over-all limit of the LOC from that specified in the first paragraph of this letter would constitute an enhancement that would not be covered by or under the said Rating Agreement.

ICRA reserves the right to review and/or, revise the above rating at any time on the basis of new information or unavailability of information or such other circumstances, which ICRA believes, may have an impact on the rating assigned to you.
